

FIRM OVERVIEW

WESTFIELD CAPITAL MANAGEMENT COMPANY, L.P. is an employee-owned, U.S.-based investment advisor dedicated to providing quality investment management services to institutions and wealthy individuals with \$24 Billion in assets under management.

PHILOSOPHY & APPROACH

- Westfield employs a growth at a reasonable price (GARP) investment style favoring investments in companies with underappreciated earnings growth trading at reasonable valuations based on our belief that:
 - Stock prices ultimately follow earnings growth, and;
 - Fundamental research best identifies inefficiencies and investment opportunities.
- We utilize a team approach within a disciplined investment process that enables our analysts to impact portfolios.
- Our Investment Team's experience, extensive research, and first-hand knowledge of company operations derived through on-site visits and meetings with management provide our competitive edge.

SECTOR EXPOSURE

Holdings are subject to change without notice. Due to rounding and cash, number may not sum to 100%. Individual account characteristics and performance may differ depending on factors such as specific client guidelines and restrictions.

Index: Russell Midcap® Growth

The Mid Cap Growth Equity Composite contains fully discretionary accounts that focus on long-term growth of capital by investing in equity securities of predominately mid cap companies that are within the market capitalization range of the Russell Midcap® Growth Index at the time of initial purchase with potential for growth. There is no minimum account size for this composite. For comparison purposes, the composite is evaluated against the Russell Midcap® Growth Index, which is designed to measure the domestic Mid Cap growth equity segment. Index returns are not covered by the report of independent verifiers and are provided for informational purposes only. The index returns assume the reinvestment of dividends but do not reflect the impact of fees, applicable taxes or trading costs which may also reduce the returns shown. Securities contained in the index maybe different than the securities contained in the composite and could have different risk and reward profiles.

Westfield Capital Management Company, L.P. claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS standards. Westfield Capital Management Company, L.P. has been independently verified for the periods January 1, 2000 through December 31, 2023. A firm that claims compliance with the GIPS standards must establish policies and procedures for complying with all the applicable requirements of the GIPS standards. Verification provides assurance on whether the firm's policies and procedures related to composite and pooled fund maintenance, as well as the calculation, presentation, and distribution of performance, have been designed in compliance with the GIPS standards and have been implemented on a firm-wide basis. The Mid Cap Growth Equity Composite has had a performance examination for the periods January 1, 2001 to December 31, 2023. Westfield Capital Management Company, L.P. is an SEC-registered investment adviser dedicated to providing quality, separate account investment management services to institutions and high net worth individuals. Registration does not imply a certain level of skill or training. Westfield supervises mainly domestic growth equities, with investment strategies – also known as products – focusing on each segment of the capitalization spectrum. Westfield also supervises foreign equities that are traded on U.S. stock exchanges and non-U.S. stock exchanges. The firm's list of composite descriptions and limited distribution pooled funds is available upon request. Past performance is not indicative of future results. The performance of any individual account may vary from the composite performance provided above.

The U.S. Dollar is the currency used to express performance. Both gross and net returns reflect the deduction of transaction costs and the reinvestment of income. The returns shown above may be lower if income is not reinvested. Gross returns do not reflect the deduction of investment advisory fees or any other expenses that may be incurred in the management of the account. Net performance was calculated using actual management fees. Information regarding period specific fee schedules is available upon request. The three-year annualized standard deviation measures the variability of the composite gross returns, and the benchmark returns over the preceding 36-month period. The annual composite dispersion presented is an asset-weighted standard deviation calculated for the accounts in the composite the entire year using gross returns. Policies for valuing investments, calculating performance, and preparing GIPS Reports are available upon request. Beginning January 1, 2010, accounts with significant cash flows (defined as exceeding 50% of an account's total assets) are taken out of the composite for the month during which the cash flow occurred.

The Mid Cap Growth Equity Composite inception date is July 1, 1994. The Mid Cap Growth Equity Composite create date is January 1, 2000. The management fee schedule for this composite is 0.80% on the first \$25 million; 0.70% on the next \$50 million; 0.60% on assets in excess of \$75 million. Actual investment advisory fees incurred by clients may vary.
